PREFACE

This publication consists of an index to measures and a table of sections affected. It is cumulative and periodically published.

INDEX

The index indicates the subject of each bill, constitutional amendment, and resolution as introduced and as amended. Entries are not removed from the index when subject matter is deleted from the measure in course of passage.

TABLE

The table shows each section of the Constitution, codes, and uncodified laws affected by measures introduced in the Legislature. It may be used in two ways:

1. As a means of locating measures where the section of the Constitution, code, or law is known.
2. To locate measures upon a particular subject, by using a published index to the codes and laws, such as Deering's General Index, the Larmac Consolidated Index, and West's General Index, to locate the existing sections, and then by using this table to locate the measures which affect those sections.

The California Constitution is listed at the beginning of the table. Codes are then listed in alphabetical order. Uncodified laws are listed at the end of the table under the heading ''Statutes Other Than Codes,'' and are cited by year and chapter. References to Budget Items appear in a separate section following Statutes Other Than Codes.

Code section numbers containing decimal points are printed in a strictly numerical order and may not match the arrangement used in West's or Deering's Codes.

USE

The table shows each section of the California Constitution, codes, and uncodified laws affected by measures introduced in the Legislature. It may be used in two ways:

1. As a means of locating measures where the section of the California Constitution, code, or law is known.
2. To locate measures upon a particular subject, by using a published index to the codes and laws, such as Deering's General Index, the Larmac Consolidated Index, and West's General Index, to locate the existing sections, and then by using this table to locate the measures which affect those sections.

ARRANGEMENT

The California Constitution is listed at the beginning of the table. Codes are then listed in alphabetical order. Uncodified laws are listed at the end of the table under the heading "Statutes Other Than Codes," and are cited by year and chapter. References to Budget Items appear in a separate section following Statutes Other Than Codes.

Code section numbers containing decimal points are printed in a strictly numerical order and may not match the arrangement used in West's or Deering's Codes.
